Reports

- a. Clerk's Report – **NOTED**.

Matter reported to Clerk / matters ongoing / update	Action Taken
When you leave the A495 at the Quarry Entrance signposted for Sweeney Mountain, go over the bridge and then at the entrance to Quarry / Sweeney mountain where you would turn left to go up to the Quarry, the white line road markings have totally disappeared.	Reported to Sept 2021. Logged on Fix My Street 01.03.22. Re-logged 03.01.23.
Llyncllys Crossroads Speed concerns Bryn Melyn to Llyncllys crossroads Email SC to ask for an assessment and solutions. Possibly signage to warn motorists of children at play area, narrow bridge and elderly residents crossing road, possibly reduce speed to 30mph. Highways England – awaiting a further report following the meeting.	Improved signage included in 2022/23 SC Highways Budget. Requested an update and date for installation. VAS being moved from Dolgoch to Bryn Melyn once post in installed. Delay with post being installed – being chased up. On-going.
Streetlights 2 x new brackets installed at Morton (minute 51.b refers)	To note.
VAS Still waiting on the post to be installed in Bryn Melyn to move the VAS there from Dolgoch.	On-going.

- b. **Councillor Reports** (Each Councillor is requested to use this opportunity to report minor matters of information not included elsewhere on the agenda and to raise items for future agendas)

Covered under item d.

- c. **Police Report**

SNT Newsletter for Oswestry Rural (South) received and June Police report **NOTED**. Two Officers attended the meeting and agreed to have a presence with the speed gun whenever possible.

- d. **Shropshire Councillor Report**

Cllr Hunt reported on matters from Shropshire Council including Shropshire Council's Financial position and how they have seen an increase in the use of electric charging points across Shropshire. Cllr Hunt mentioned that a resident had raised with him speeding concerns in Dolgoch and that they had been passed to the Police, who had advised that all reports of speed concerns are to come through the Parish Council. The PC download data from the VAS regularly and it is fed to the Police for them to consider. To date, the data has not reached the 'violation' criteria where the police would take action, however they continue to have a presence whenever possible. **NOTED**.

Llanyblodwel Parish Council

The following matters were raised with Cllr Hunt, to take back to Shirehall to follow up:

- **Blodwel Bank** – The visibility in the mirror at the bottom is so poor. Could this be looked at please? The side of the road towards the bottom (before The Gatehouse) has totally fallen away. It was marked out months ago with cones to deter vehicles from coming off the road but nothing has been done. Can this please be followed up? The heavy use of farm machinery on this stretch of road has caused the verges to be pushed back, the sides of the road to collapsed and the ditches and drains damaged.
- **White lines at the Llansantffraid junction** – faded (reported on Fix my street a number of months ago).
- **Llanyblodwel Bridge** – the temporary bollards have been shifted and are now causing further restrictions which is affecting businesses.

Llanyblodwel Parish Council

NOTED.

- i) **Direct Debits** – To sign the DD form to pay the S/Light Energy to Shropshire Council by Direct Debit.
The Direct Debit form was signed by two signatories and will be sent to Shropshire Council for processing – **NOTED.**

65.23

Asset Management / Parish Maintenance / Parish Matters

a) Closed Churchyards

- I. **Wall repairs** – Receive an update on the ordered work and consider further work (within budget / earmarked reserves).
It was **NOTED** that the work at Llanyblodwel Church has been completed and the work ordered at Morton has not yet commenced.
- II. **Ivy – discuss.** It was noted that Ivy is growing on the wall which borders a residents property. It was **RESOLVED** that Cllrs Beckett and Argyle assess the situation and report back at the September meeting.
- III. **Gates at Morton – discuss.** Concerns were raised regarding the potential risk to injury on the main gates at Morton as they do not join properly. It is likely that they require new hinges. It was **RESOLVED** that The Grove be approached to quote for the work to rectify the issue and a quote be brought to the September meeting.

b) Streetlighting

- a. **Two Heritage Lights in Bryn Melyn (last 2 lights that are not LED)** – minute 51.b.c.23 refers – To note that work has not progressed due to increased cost. Discuss options.
It was noted that the order had not been placed to replace the lights as the Scottish Power service transfer costs had doubled and the project cost would exceed the budgeted amount. A site meeting has taken place with the Electrical Contractors and Councillors considered whether the substantial cost to replace the lights was justified as the light on the bridge lights more hedge than pavement and the one on the corner could be replaced by adjusting/reconfiguring the light by the play area. As the Parish Council cannot afford to replace both lights this financial year and taking into consideration the poor condition of the brackets, it was **RESOLVED** to remove both lights and request that the one next to the play area be adjusted so that light shines on the road. There is also almost a £100 difference in the running costs of the heritage lanterns, compared to the LED so removing these lights will help to reduce energy charges.
- c) **Bench and Noticeboard in Bryn Melyn** – Receive an update on the funding application made to STAR Housing.
The clerk reported that there is still no update and they have been contacted several times.
- d) **Noticeboard at Dolgoch** – Receive an update.
The Clerk reported that delivery of the new noticeboard is expected at the end July and Evans of Oswestry have agreed to install this FOC. The current noticeboard is out of use due to its condition rendering it unusable. **NOTED.**
- e) **Llyncllys Bomber Memorial** – Discuss.
The following points were discussed as matters that would need to be considered should this project progress:
 - Planning permission
 - Owning a monument on land the Parish Council doesn't own
 - Project cost / expenditure would double the PCs expenditure
 - Time spent managing the projectConcerns were raised regarding the scale of the project, financing and whether the size of the sculpture is appropriate. It was **RESOLVED** to await further information from the project leaders.
- f) **Bus Shelter Cleaning** – Discuss.

Llanyblodwel Parish Council

Councillors considered a proposal to implement cleaning of the Bus Shelter at Llyncllys Crossroads quarterly for a cost of £5 per clean. It was **RESOLVED** to approve the quote and the shelter will now be cleaned 4 times a year.

- g) **West Mercia PCC Safer Roads Funding** – Discuss and consider a project. The Chair asked that Councillors consider any possible projects that may be eligible for funding and, if identified, they can be considered at the September meeting. **NOTED.**
- h) **Celebration of 150 years of Morton Church** - October 15th – Consider representation from the Parish Council. It was **RESOLVED** that Cllrs Edwards and Beckett attend.

Place Plan Review

Agree submissions as part of the Place Plan Review.

The following projects were approved for submission as part of the review:

1. Improvements to the Road Infrastructure and Drainage along Blodwel Bank (Transport and Accessibility)

Brief outline of the Project

The development of the Yareal site at Trefonen (off the Coed-y-go road), which sits in Oswestry Rural Parish, has impacted on the highway infrastructure of Blodwel Bank, which is predominantly in Llanyblodwel Parish. The road has been subjected to a significant rise in vehicles, predominantly large farm vehicles, due to the transportation of materials to the site. This has had a detrimental impact on the infrastructure. Large farm vehicles have pushed back the sides of the road, damaging drainage pipes, verges and the road edge, leading to subsidence in places and fields flooding.

2. Improvements to the Road Infrastructure and Drainage up Turners Lane (Transport and Accessibility)

Brief outline of the Project

The road is subsiding in places and has insufficient drainage systems in place so water currently runs down the lane and into residents gardens, flooding cesspits. Development has been granted permission towards the top of Turner's Lane and these issues will only be exacerbated by further traffic on the lane.
