Community priorities:

1. ASB
2. Speeding
3. Thefts

Priority 1.

We have had 3 reports of 2 teenagers standing at the X roads in Llynclys causing issues by getting lorry drivers to blow their horns or flash their lights.

The youths are standing in a public place and are VERY keen lorry spotters.

Both have been spoken to regarding getting the drivers to sound their horns and that they could be responsible for any accidents that MIGHT happen should the lorry or other drivers react.

They are also seen on the bridge over the A483 passed the Mile End R/A.

Both seem to have taken on board the warning.

Priority 2.

None reported

Priority 3.

No reports regarding thefts in the area.

Emerging trends - Requests for information - other.

We had a report of an elderly female walking along the A483. I did a full search from Maesbury junction down to Pant and back to Morda. No sighting of the female so assume she was either picked up or reached her destination without concern.
